

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a GREAT idea. Voters need to know the truth and it is a brave and courageous move on the part of Sinclair Broadcasting. They deserve my gratitude!

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. But when large companies control the airwaves, we get more of what's good for the bottom line and more of what we need for our democracy too. I love it! Not only will we see something produced at "News Central" far away, we will see real people from our own communities and more substantive news about issues that matter. Like the reelection of OUR PRESIDENT, GEORGE W. BUSH!

Sinclair's actions show why we need to strengthen media ownership rules so they will continue to do the GREAT job they are doing by exposing graft, corruption and sorry, subversive socialist-wannabes!. They show why the license renewal process is fine like it is!

Please give Sinclair Broadcasting, all my best for the dare to air THE TRUTH! They deserve a Meritorious Public Service Award!

THANK YOU!
